

Welcome to Family and Friends Day!

It's so amazing to be able to call someone your friend. Not only is it amazing, but it's simply a blessing to have a friend.

What's more, friends can become your family, and in your family, you can nurture powerful friendships. But remember, Christ is our best friend, and our Heavenly Father is our number one support system.

"CULTURE OF FRIENDSHIP" Thoughts from Pastor James L. Brooks

Here at Harmony we believe in a "Culture of Friendship." We are intentional about fostering sustainable relationships with one another. However, we understand the success of our human relationships is predicated on how much time we spend with the Divine.

All things begin and end with God. Jesus tells us the most important commandment is to love God with everything and love our neighbor as we love ourselves (Mark 12:29).

Go Love!

Pastor James L. Brooks M.Div

A man who has friends must himself be friendly, But there is a friend who sticks closer than a brother. Proverbs 18:24
